Celebrate Independence Day at C'ville Spectacular!

You asked, we listened - after a long hiatus, the C'ville Spectacular Independence Day fireworks are BACK!

You're invited to join the City of Charlottesville and local partners for the C'ville Spectacular Fourth of July fireworks celebration!

The breathtaking 18-minute show will launch from the top of Carter Mountain at 9 PM.

Thanks to the elevated location, the fireworks will be visible from several great vantage points across the greater Charlottesville area. Be sure to claim your spot early and enjoy the show with friends and family as we celebrate the United States in style!

Can't make it in person? No worries! Fellow event sponsor CBS19 will be live-streaming the show so you can experience the magic from anywhere. See the link below for more information.

C'ville Spectacular is just the beginning; this kicks off a series of celebrations as we head into the 250th anniversary of the United States and the 50th anniversary of Charlottesville's historic Downtown Mall. Stay tuned for updates!
