- No socks or tights without dance shoes
- Hair should be pulled back away from the face and eyes
- No jewelry or clothing with zippers or buttons
- No food or drink

Ballet & Creative Dance Classes

Participants may wear:

- a leotard with tights or gym shorts/leggings and a fitted t-shirt/tank top.
- ballet shoes or bare feet; we will not provide shared ballet shoes for participants at this time.

Tap Classes

Participants may wear:

- a leotard with tights or gym shorts/leggings and a fitted t-shirt/tank top.
- Tap shoes are required; we will not provide shared tap shoes for participants at this time.

Hip Hop Classes

Participants may wear:

- gym shorts, leggings or sweatpants and a t-shirt; please keep legs covered for floor slides.
- Sneakers are preferred.

Drop Off

Parents/guardians must accompany their child into Carver Recreation Center or Crow Recreation Center and check in with the instructor. Parents/guardians with children under 8 years old must remain in the facility throughout the duration of the class. Parents/guardians must also accompany their child when exiting the building.

Please arrive at least 5 minutes before class starts. Being late is far more difficult on a child than what many parents realize and is disruptive to other participants.

Please ensure that your child has used the restroom at home before coming to class or please be available and prepared to take your child to the restroom during class in an emergency situation (for children under 8 years old).

Parents/guardians are welcome to view classes from the viewing area provided. Please be considerate of the teaching process and refrain from any comments or coaching of your child during their class. Any interruption could result in injury and is a distraction to the instructor and other participants.

For safety purposes, parents are not allowed in the dance area. Siblings who come to watch class must remain in the viewing area and cannot be left unsupervised. Please do not allow siblings to bang on the glass during class time to get the attention of another sibling that is in class. It is far louder inside of the classroom and a distraction to the class.

Parent & Me Classes

- Adult participants must always actively participate and supervise their child.
- Only one adult per child on the floor.
- If you have an infant, they must be in a carrier. Holding an infant is a safety risk as you cannot assist the child participating in the class.
- Adults in class must stay within arm's length of their child for safety.
- Non-registered siblings are not allowed in class. They must remain in the viewing area with a parent/guardian.

Discipline

If a situation continues to be an ongoing problem, instructors may ask the advice of the parent to correct the issue. Any time the behavior jeopardizes the safety of your child, other students or staff, we will ask that the child be removed from the class. We use time out to encourage good behavior. Charlottesville Parks & Recreation reserves the right to refuse participation or dismiss any student from the program.

Sick Children

We want to ensure the safety and health of all participants and instructors. Your cooperation on this issue is extremely important. Sick children expose all children and staff members who they come in contact with. If your child exhibits any symptoms of a contagious illness, please keep him/her home. Such symptoms could include fever, diarrhea, unexplainable rash, lice, upset stomach, and vomiting.

Inclusion

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please email adaptive@charlottesville.gov information regarding your disability and accommodation needed.
