DANCE PROGRAM GUIDELINES – COVID UPDATE

Class Guidelines and Rules

Attire
We encourage you to come to class with whatever your child feels most comfortable in. Let the following serve as guideline for what to wear to class:

- No socks or tights without dance shoes
- Hair should be pulled back away from the face and eyes
- No jewelry or clothing with zippers or buttons
- No food or drink

Ballet & Creative Dance Classes
Participants may wear:
- a leotard with tights or gym shorts/leggings and a fitted t-shirt/tank top.
- ballet shoes or bare feet; we will not provide shared ballet shoes for participants at this time.

Tap Classes
Participants may wear:
- a leotard with tights or gym shorts/leggings and a fitted t-shirt/tank top.
- Tap shoes are required; we will not provide shared tap shoes for participants at this time.

Hip Hop Classes
Participants may wear:
- gym shorts, leggings or sweatpants and a t-shirt; please keep legs covered for floor slides.
- Sneakers are preferred.

Drop Off
Parents/guardians must accompany their child to check in with the instructor. Parents/guardians with children under 8 years old must remain at the program location throughout the duration of the class. Parents/guardians must also accompany their child when leaving the program.

Please arrive at least 5 minutes before class starts. Being late is far more difficult on a child than what many parents realize and is disruptive to other participants.

Please ensure that your child has used the restroom at home before coming to class or please be available and prepared to take your child to the restroom during class in an emergency situation (for children under 8 years old).
Parent Observation
Classes at Carver Rec: For safety purposes, parents are not allowed in the immediate program area and may not observe class from the hallway outside of the dance room. Seating will be available in the Multipurpose Room downstairs. Non-registered siblings are not allowed in the program area and should be kept at home if possible.

Discipline
If a situation continues to be an ongoing problem, instructors may ask the advice of the parent to correct the issue. Any time the behavior jeopardizes the safety of your child, other students or staff, we will ask that the child be removed from the class. We use time out to encourage good behavior. Charlottesville Parks & Recreation reserves the right to refuse participation or dismiss any student from the program.

Sick Children
We want to ensure the safety and health of all participants and instructors. Your cooperation on this issue is extremely important. Sick children expose all children and staff members who they come in contact with. If your child exhibits any symptoms of a contagious illness, please keep him/her home. Such symptoms could include fever, diarrhea, unexplainable rash, lice, upset stomach, and vomiting.

COVID-19 Safety
Staff will conduct temperature checks and wellness screenings for all participants upon arrival to the facility or before being permitted to attend class.

Participants may not come to class if they experience any symptoms of the coronavirus (mild to severe respiratory illness with fever, cough and difficulty breathing), or other symptoms identified by the CDC.

All participants must maintain at least 6 feet between other participants and staff. Staff will space seated programs accordingly.

All participants and parents must wear face coverings during program time and while interacting with staff. Participants may not be required to wear masks during programs that include running and athletics in an outdoor setting when social distancing guidelines can be met.

Participants may not come to class if they have been in contact with someone with COVID-19 in the last 14 days, or if they have a serious underlying health condition.

Participants may not share supplies and all equipment/supplies will be sanitized after each use.

Hand sanitizer will be available during program time and participants will be encouraged to wash and/or sanitize their hands frequently.
Inclusion

How to Request Accommodations
Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please email adaptive@charlottesville.gov information regarding your disability and accommodation needed. A two-week notice is requested in order for the Department to make reasonable accommodations based on individual needs for successful inclusion.

Minimum Requirements for Successful Inclusion
The basic eligibility requirements for all programs, camps, classes, and events are listed below. These basic requirements apply to all participants, regardless of the ability level. There may be additional requirements for each program, camp, or class.

The capacity for each program is based on ratio and logistics. If the maximum enrollment for a program has been met, a participant may be unable to enroll or placed on a wait list.

Payment is due upon registration. Payment must be received before admission into any program.

All participants are required to follow the rules of conduct outlined in the program guidelines. An individual with a disability may be removed from a program if after interventions and accommodations their behavior is a direct threat to others.

Must be able to maintain personal care without support from P&R staff or volunteers.

Participants should be willing to actively participate in the program the majority of the time. Ability to function with or without assistance as a member of a larger group (10 or more people).
