

The Mildred W. Spicer Arts Fund

The goal of the Mildred W. Spicer Arts Fund is to promote the arts for people with disabilities. The fund is designed to enhance artistic discovery, creativity, and community inclusion.

Making an Impact

- ▶ The fund provides individual scholarships to take classes and workshops related to the arts and to further develop individual art skills and expression.
- ▶ The fund will also allow for an annual recognition award to an individual with a disability, without a disability, and/or to an organization promoting inclusive art opportunities within our community. The goal of the award is to honor those making a difference in the lives of others through artistic expression.
- ▶ The fund will allow for special event projects that encourage promotion of art opportunities.

Getting Started
