Join us at our virtual public information meeting to learn more about the project, provide feedback, and help shape the vision for the corridor’s future! The City of Charlottesville strives to ensure that all members of the community have the opportunity to gain insight and provide comments on projects. It is important that the City verifies, through meetings like this, that the conceptual designs for this project reflect the priorities and desires of the community. City representatives will be present to discuss the project and answer any questions you may have!

**Meeting Information:**
