Welcome to Triangle Trails! Our bike trails are great for all ages and skill levels. All of our trails are one-way, downhill. The paved access trail and the green Creek Side Trail are two-way, you can use these to get to the start of your favorite trail. Need a place to rest your legs? Head on down to Base Camp by the red bridge. Now that you’ve got the basics, read up on our rules before you head out:

- Be friendly!
- Don’t ride wet or muddy trails.
- Be mindful of other riders who may be slower than you.
- Give other riders and hikers space on the trail.
- Pack it in, pack it out
