I. PURPOSE: The purpose of this Request for Proposal (RFP) is to solicit sealed proposals from qualified offerors to establish a term contract through competitive negotiation to provide planned and emergency traffic control services for the City of Charlottesville (hereinafter referred to as “City” or “City of Charlottesville”). The City plans to contract with one or more contractors to provide on-call traffic control services (Services) for various projects. The work includes delivery and setup of traffic control devices in work zones and the provision of flaggers and other personnel to maintain work zones. The City is seeking contractor(s) whose combination of experience and expertise will provide timely, cost-effective services to the City.

II. MINORITY BUSINESS PROGRAM: As part of the City of Charlottesville’s Minority Business Program, the City of Charlottesville encourages the participation of small, women, minority, veteran and micro-owned businesses (SWaM-O) in the City’s procurement transactions. In order to support and build up the capacity of SWaM-O businesses, City Council and staff have taken steps to push forward policy changes and initiatives to help reduce barriers to doing business with the City. To find out more about the current City of Charlottesville initiatives and programs please visit the Minority Business Program website at <https://www.charlottesville.gov/718/Minority-Business-Program>.

BACKGROUND: The City has not contracted for these services in the past therefore there is no historical contract data. However, Firm(s) will provide temporary traffic control services and the necessary temporary traffic control devices, personnel (i.e. flaggers) and related equipment generally consisting of the following categories: Work area traffic control and setup, job site flagging, lane closures, road closures, vehicle, bicycle and pedestrian detours, and special event traffic control.

STATEMENT OF NEEDS: The Contractor shall comply with all applicable federal, state and local laws, rules and regulations applicable to the provision and performance by the Contractor of the work and services that are subject to any contract resulting from this solicitation. The Contractor awarded a contract as a result of this solicitation, shall furnish all labor, materials, etc. to provide planned and emergency traffic control services for the City on an as-needed basis.

- a. The Contractor should provide all traffic control per Virginia Department of Transportation (VDOT) and/or City of Charlottesville specifications and permits. The City of Charlottesville will secure all necessary VDOT permits.
- b. Overtime rates, at 1.5 times the normal hourly rate, shall apply only after eight (8) hours have been worked at the job site(s) (i.e., mobilization and travel time is not to be included in the calculation of overtime rates).
- c. The Contractor shall be onsite with all labor, materials, etc. needed for the performance of traffic control within two hours (2) or less of notification when emergency traffic control services are needed, unless otherwise agreed to by the City. The City reserves the right to request a quicker response time in certain emergency situations.

III. PROPOSAL PREPARATION AND SUBMISSION INSTRUCTIONS:

A. GENERAL INSTRUCTIONS:

1. RFP Response: In order to be considered for selection, Offerors must submit a complete response to this RFP (“Proposal”).
  - a. One (1) printed version original marked “*Original*” and five (5) copies of each Proposal shall be transmitted to the City, along with an electronic copy of the proposal on CD. **The City will accept flash drives or USB sticks.** The proposal should be formatted either in Microsoft Word or PDF.
  - a. In addition, should the proposal contain proprietary information, submit one (1) redacted printed version with proprietary portions removed or blacked out marked “*Redacted Copy*” along with an electronic copy on CD either in Microsoft Word or PDF format of same. **The City will accept flash drives or USB sticks.**

These items must be submitted to the City as a complete sealed proposal. No other distribution of the proposal shall be made by the Offeror.

Proposals must be submitted by the date and time stated in the solicitation. Proposals will be date and time stamped upon receipt and retained unopened in a secure location until proposal opening. No consideration will be given to date of postmark or error in delivery to incorrect address. It is the responsibility of the Offeror to ensure timely and correct delivery of proposal.

2. Proposal Preparation:

- a. Proposals shall be signed by an authorized representative of the offeror.
- b. Each Proposal must be and remain valid for a period of at least sixty (60) days from the date set by this RFP for receipt of proposals.
- c. All information requested or required by this RFP must be submitted. Failure to submit all information requested may affect the overall rating of the Offeror's proposal
- d. Proposals should be prepared simply, providing a clear, straightforward, concise description of the Offeror's qualifications and suitability to provide the required services, and of the Offeror's capabilities, in all respects, to perform fully the requirements of this RFP, and the Offeror's integrity and reliability that will assure good faith performance of the Project requirements.
- e. Proposals should be organized in the order in which the requirements are presented in the RFP. All pages of the proposal should be numbered. Each paragraph in the proposal should reference the paragraph number of the corresponding section of the RFP. It is also helpful to cite the paragraph number, sub-paragraph, and repeat the text of the requirement as it appears in the RFP. If a response covers more than one page, the paragraph number and sub-paragraph number should be repeated at the top of the next page. The proposal should contain a table of contents which cross-references the RFP requirements. Information which the Offeror desires to present that does not fall within any of the requirements of the RFP should be inserted at an appropriate place or be attached at the end of the proposal and designated as additional material. Proposals not organized in this manner may receive a lower score if evaluators are unable to find where the proposal specifically addresses the RFP requirements.
- f. As used in this RFP, the terms "must", "will" and "shall" identify mandatory requirements. Items labeled as "should" or "may" are highly desirable, and are preferred. Depending on the overall quality and completeness of a Proposal, inability of an Offeror to satisfy a "must", "will" or "shall" requirement may not automatically remove that Offeror from consideration; however, it may affect the overall rating of the Offerors' proposal.
- g. Each copy of the Proposal should be bound or contained in a single volume where practical. All documentation submitted with the proposal should be contained in that single volume.
- h. All proceedings, records, contracts and other records relating to this procurement transaction shall be open to public inspection in accordance with the *Virginia Freedom of Information Act*. Trade secrets or proprietary information submitted by an offeror shall not be subject to public disclosure under the *Virginia Freedom of Information Act*; however, the offeror must invoke the protections of § 2.2-4342F of the Code of Virginia, in writing, either before or at the time the data or other material is submitted. The written notice must specifically identify the data or materials to be protected and state the reasons why protection is necessary. The proprietary or trade secret material submitted must be identified by some distinct method such as highlighting or underlining and must indicate only the specific words, figures, or paragraphs that constitute trade secret or proprietary information. The classification of an entire proposal document, line item prices, and/or total proposal prices as proprietary or trade secrets is not acceptable. Offerors, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations of proposals are completed, but prior to award, except in the event that the City decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to public inspection only after award of a contract by the City.

- i. All costs of proposal preparation and presentation shall be borne by each offeror. The City is not liable for any cost incurred by the offeror prior to issuance of a contract.
2. **Oral Presentation:** Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to the City. This provides an opportunity for the offeror to clarify or elaborate on the proposal. This is a fact finding and explanation session only and does not include negotiation. The City will schedule the time and location of these presentations. Oral presentations are an option of the City and may or may not be conducted.

Under no circumstances shall the City be required to agree to any contractual provision (i) that would materially conflict with any requirement(s) of this RFP, (ii) that would affect the price, quality, quantity or delivery schedule for any goods or services, (iii) that would conflict with any requirement of the Virginia Public Procurement Act or the Charlottesville City Code, or (iv) that would, in the City's sole discretion, materially alter the overall combination of quality, price and various elements of required services that in total are optimal relative to the City's needs, and the Contractor shall not condition its performance or delivery upon any such agreement by the City.

- N. **CONTRACTUAL CLAIMS:** Contractual claims, whether for money or other relief, shall be submitted in writing no later than 60 days after final payment; however, written notice of the contractor's intention to file a claim shall be given at the time of the occurrence or beginning of the work upon which the claim is based. - O. **DEBARMENT STATUS:** By submitting their proposals, offerors certify that they are not currently debarred by the federal government, the Commonwealth of Virginia, or any local government or public authority, from submitting bids or proposals on contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.

- R. **DRUG-FREE WORKPLACE CLAUSE:** During the performance of this contract the contractor agrees as follows: (i) to provide a drug-free workplace for the contractor's employees; (ii) to post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; and (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace. **Proof Of Insurance:** Prior to performance of any services or delivery of goods, the Bidder shall (i) have all required insurance coverage in effect; (ii) the Bidder shall deliver to the City certificates of insurance for all lines of coverage, or other evidence satisfactory to the City in its sole discretion. **(See Attachment A for a Sample C.O.I. and Guide to the Acord Form)**. Further, the Bidder shall ensure that all Required Insurance coverages of its subcontractors and suppliers is and remains in effect during performance of their services on the Project and certifies by commencement of the Work that this insurance and that of subcontractors is in effect and meets the requirements set forth herein. The City shall have no responsibility to verify compliance by the Bidder or its subcontractors and suppliers.

**Effect Of Insurance:** Compliance with insurance requirements shall not relieve the Bidder of any responsibility to indemnify the City for any liability to the City, as specified in any other provision of this contract, and the City shall be entitled to pursue any remedy in law or equity if the Bidder fails to comply with the contractual provisions of this contract. Indemnity obligations specified elsewhere in this Contract shall not be negated or reduced by virtue of any insurance carrier's denial of insurance coverage for the occurrence or event which is the subject matter of the claim, or by any insurance carrier's refusal to defend any named insured.

**Waiver Of Subrogation:** The Bidder agrees to release and discharge the City of and from all liability to the Bidder, and to anyone claiming by, through or under the Bidder, by subrogation or otherwise, on account of any loss or damage to tools, machinery, equipment or other property, however caused.

**Sovereign Immunity:** Nothing contained within this RFP shall effect, or shall be deemed to affect, a waiver of the City's sovereign immunity under law. No contract awarded as a result of this procurement transaction shall contain any provisions requiring the City to waive or limit any sovereign or governmental immunity to which it may be entitled.

**Right to Revise or Reject:** The City reserves the right, but not the obligation, to revise any insurance requirement not limited to limits, coverages and endorsements, or reject any insurance policies which fail to meet the criteria stated herein. Additionally, the City reserves the right, but not the obligation, to review and reject any insurer providing coverage due to its poor financial condition or failure to operate legally.

Z. **OSHA STANDARDS:** All contractors and subcontractors performing services for the City are required and shall comply with all Occupational Safety and Health Administration (OSHA), State and City Safety and Occupational Health Standards and any other applicable rules and regulations. AA. **OWNERSHIP OF DOCUMENTS:** All information, documents, and electronic media furnished by the City to the Contractor belong to the City, are furnished solely for use in connection with the Contractor's performance of Services required by this Agreement, and shall not be used by the Contractor on any other project or in connection with any other person or entity, unless disclosure or use thereof in connection with any matter other than Services rendered to the City hereunder is specifically authorized in writing by the City in advance. All documents or electronic media prepared by or on behalf of the Contractor for the City are the sole property of the City, free of any retention rights of the Contractor. The Contractor hereby grants to the City an unconditional right of use, for any purpose whatsoever, documents or electronic media prepared by or on behalf of the Contractor pursuant to this Agreement, free of any copyright claims, trade secrets, or any other proprietary rights with respect to such documents.

BB. **PAYMENT:**

A. **To Prime Contractor:**

- a. The City shall promptly pay for completed delivered goods or services by the required payment date. The required payment date shall be either: (i) the date on which payment is due under the terms of a contract for the provision of goods or services, or (ii) if a date is not established by contract, not more than 45 days after goods or services are received or not more than 45 days after an invoice is rendered, whichever is later. Separate payment dates may be specified for contracts under which goods or services are provided in a series of partial executions or deliveries to the extent that the contract provides for separate payment for partial execution or delivery. Within 20 days after the receipt of an invoice for goods or services, the City shall notify the supplier of any defect or impropriety that would prevent payment by the required payment date. In the event that the City fails to make payment by the required payment date, the City shall pay any finance charges assessed by the supplier that shall not exceed one percent per month. In cases where payment is made by mail, the date of postmark shall be deemed to be the date payment is made.
- b. Individual contractors shall provide their social security numbers, and proprietorships, partnerships, and corporations shall provide the City with a federal employer identification number, prior to receiving any payment from the City.
- c. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the city contract number and/or purchase order number.
- d. All goods or services provided under this contract or purchase order, that are to be paid for with public funds, shall be billed by the contractor at the contract price, regardless of which city department is being billed.
- e. **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the City shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve a city department of its prompt payment obligations with respect to those charges which are not in dispute (Code of Virginia, § 2.2-4363).

**B. To Subcontractors:**

- a. A contractor awarded a contract under this solicitation is hereby obligated:
  - (1) To pay the subcontractor(s) within seven (7) days of the contractor's receipt of payment from the City for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or
  - (2) To notify the City and the subcontractor(s), in writing, of the contractor's intention to withhold payment and the reason.
- b. The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor that remain unpaid seven (7) days following receipt of payment from the City, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the City.

# SMALL-, WOMEN-, MINORITY-, MICRO, EMPLOYMENT SERVICES ORGANIZATIONS, AND VETERAN-OWNED BUSINESS OBJECTIVES

It is an important business objective of the City of Charlottesville to promote the economic enhancement of small businesses (SBE) and micro businesses (O), women-owned businesses (WBE), minority-owned businesses (MBE), employment services organization (ESO) and veteran-owned businesses (VBE). The success of the City to track the amount of business received by SBE, WBE, MBE and VBE businesses, whether as a prime contractor or a subcontractor, is dependent upon the business community partnering with us in this important endeavor.

If you anticipate sub-contracting to any of these businesses in the performance of this contract, you are requested to individually report the total dollars for each business classification. Failure to report the dollars in the categories below may result in the application of stronger requirements being placed on offerors to assure that SBE, WBE, MBE and VBE businesses receive benefits from City contracts.
