AND PROGRESSIVE LEADER TO SERVE AS

Director of Communications and Public Engagement

The Community

The City of Charlottesville is located in West Central Virginia, approximately 120 miles southwest of Washington, D.C. and 70 miles northwest of Richmond, Virginia. Situated within the upper Piedmont Plateau at the foothills of the Blue Ridge Mountains and at the headwaters of the Rivanna River, Charlottesville was established as a town in 1762 by the Virginia General Assembly and was incorporated as an independent city in 1888. As a result of eight annexations, the most recent of which was in 1968, the City is 10.4 square miles.

Charlottesville serves as the economic, cultural, and educational center of a multi-county region. In 1981, the United States Census Bureau recognized the Charlottesville area as a Standard Metropolitan Statistical Area (SMSA). The SMSA includes the City of Charlottesville and the counties of Albemarle, Fluvanna, Greene, and Nelson. In 2017, the population of the City was estimated to be approximately 49,000 and the Charlottesville SMSA population of over 200,000.

Charlottesville was the home of two U.S. Presidents, Thomas Jefferson and James Monroe. During their terms as Governor of Virginia, they lived in Charlottesville and traveled to and from Richmond. The University of Virginia, founded by Jefferson and one of the original Public Ivies, straddles the city's southwestern border. Monticello is three miles southeast of the city and is, along with the University of Virginia, a UNESCO World Heritage Site, attracting thousands of tourists every year.

The City has ample health care resources. The University of Virginia's Health Sciences Center provides world renowned medical research, health care, and training. Martha Jefferson Sentara Hospital has a well-regarded comprehensive women's health center, oncology center, and a strong community focus.

Whether you are looking for an outdoor adventure such as hiking, biking, paddling, and camping, or you prefer fine dining, shopping or the arts, the unique and picturesque experience of Charlottesville is sure to win you over. Its scenic beauty, brick-lined Downtown Mall, and wine choices from 30+ local orchards and vineyards in the region are bonuses to a charming yet innovative community. Popular annual events include the Dogwood Festival, First Night Virginia, the Virginia Film Festival, the Virginia Festival of the Book, the Tom Tom Founders Festival, the Festival of Cultures, the African-American Cultural Arts Festival, among many others that occur throughout the year. The City has received many notable awards and recognitions and is consistently at the top of everyone's "best lists" including the "Best Place to Live in America" and "Best Small Cities in the U.S."

City Government

The City operates under the City Manager/Council form of government. The City of Charlottesville voters elect a five-member Council to serve at-large as the City's legislative and governing body. Members serve staggered four-year terms, and they select one Councilor to serve as Mayor and one as Vice-Mayor for two years. Municipal elections are held in November in odd-numbered years. The Mayor presides over meetings, calls special meetings, and serves as the ceremonial head of government. The City Council appoints the City Manager, Director of Finance, City Assessor, Clerk of Council and members of major policy-making Boards and Commissions. Council makes policy in the areas of city planning and finances, human services, public safety and justice, public utilities, and transportation and has specific powers to pass ordinances, levy taxes, collect revenues, adopt a budget, make appropriations, issue bonds, borrow money, and provide for the payment of public debts. Administrative and executive duties are performed by the City Manager. Three Deputy City Managers assist the City Manager in the operational and financial aspects of all City functions, coordinate interdepartmental activities and assist with assignments relating to the racial diversity, equity and inclusion, planning, direction, control, and evaluation of the operations and programs of the City Government, relations with City Council, and the coordination of the City's operating and capital improvement budgets.

Charlottesville is an engaged community with a variety of citizen advisory groups, commissions, task forces, and ad hoc committees, which assist the City Council by studying specialized areas of interest and making recommendations for Council action. These range from the Planning Commission and the BAR to the Parks and Recreation

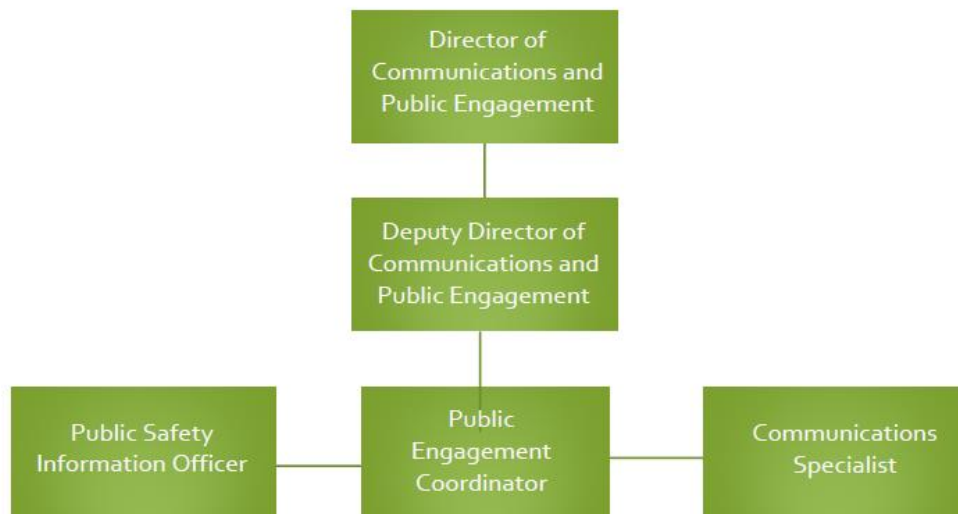

Commission. As noted, civic engagement is a strong value in the City of Charlottesville. The City government continually creates venues for all citizens, with a special emphasis on those who are traditionally under-represented in civic processes, to become involved. This commitment to inclusive civic engagement ensures that social equity is built into the development of public priorities and policies.

The City is a full-service city with approximately 1000 full-time staff, an FY 2022-23 General Fund operating budget of \$212 million, and an FY 2022-26 Capital Improvement Plan budget of \$121 million. The FY 2022-23 budget reflects the continued delivery of high-quality governmental service that citizens, businesses, and visitors rely upon daily within the constraints of the current economy. As an independent City, Charlottesville does not have the same boundaries as nor is subject to taxation by any county and is not liable for any county debt. The City is financially stable and has a AAA bond rating.
